TMD Discussion Papers contain preliminary material and research results, and are circulated prior to a full peer review in order to stimulate discussion and critical comment. It is expected that most Discussion Papers will eventually be published in some other form, and that their content may also be revised. This paper was written under the IFPRI project Macro-economic Reforms and Regional Integration in Southern Africa (MERRISA), which is funded by DANIDA (Denmark) and GTZ (Germany). This paper is available at: [www.cgiar.org/ifpri/divms/dp/papers/dp47.pdf](http://www.cgiar.org/ifpri/divms/dp/papers/dp47.pdf)
