**Teaching Godly Play**

*Teaching Godly Play: The Sunday Morning Handbook* first appeared in 1995 as a vision-and-practice statement for Godly Play, Jerome Berryman's approach to the religious education of children using the Montessori method. Since that first release it has served as a foundational resource for those engaged in the practice of Godly Play.

In this newly revised and expanded edition, *Teaching Godly Play: How to Mentor the Spiritual Development of Children*, Jerome Berryman expands and clarifies, yet, mirthfully, comes full circle. Godly Play is still Godly Play.

Teaching Godly Play is still a gift of immeasurable value to children and adults alike. The practice of helping children to internalize the Christian language system through play—that is, through carefully and respectfully mentored experience of the lessons of the spiral curriculum—remain as well-grounded and effective today as it was those many years ago.

*Teaching Godly Play: How to Mentor the Spiritual Development of Children* is a wonderful and essential complement to the 8 volumes of *The Complete Guide To Godly Play*. In this revised and expanded edition you'll find new chapters, refreshed content and key concepts presented conversationally by the founder himself. In essence, this book is one more warm and compelling encounter with the true spirit of Godly Play.

*Jerome Berryman's work helps children internalize the Christian tradition, and then offers them the opportunity to use that tradition in their daily living.*

—Rev. Jim Carr, Methodist Minister, San Antonio.

Jerome W. Berryman is the founder of Godly Play and has wide experience working with children ages 2-18. He has written numerous articles and books and presents lectures and workshops throughout the world. Jerome is Senior Fellow of the Center for the Theology of Childhood.
