

You Cant Be Timid With A Trumpet: Notes From The Orchestra

I Can't Read You

Words & Music by Daniel Bedingfield

I'm never shy but this is different
I can't explain the way I'm feelin' tonight
I'm losing control of my heart
Tell me what can I do to make you happy?
Nothing I ever say seems to come out right
I'm losing control of my heart.

And I wish that I could be
Another better part of me
Can't hear what you're thinking
Maybe if I just let go
You'd open up your heart.

But I can't read you
I wish I knew what's goin' through your mind
Can't touch you, your heart defending
I get left behind
I can't reach you
I wish I knew what's going through your mind
Can't touch you, your heart protecting
I get left behind
No no no no no yeah
No no no no no

I like you some much I'm acting stupid
I can't play the game I'm all intense and alive
I'm losin' control of my heart
I'm not supposed to be this nervous
I should play my hand all cool and calm
I can't breathe
I'm losing control of my heart.
